

# ELEMENTARY CLASS SEQUENCE

<b>Science</b>	1st -4th	Astronomy --> Botany/Zoology 1 --> Zoolog 2 --> Zoology 3		All elementary classes use the Apologia Elementary Science curriculum and rotate through specific topics/texts based on their grade levels.
	4th-6th	Anatomy/Physiology --> Chemistry/Physics		
	General Science	This class is a transitional class geared toward the following students: advanced 6th grade, younger 7th grade, 6th grade student who has already completed all elementary science classes.		
<b>Art</b>	1st - 6th	Year 1: Ancient	Year 4: Baroque	There is a six year rotation with each year focusing on a particular era and artist. The difficulty of each class is tailored to meet the needs of the students within the grade level of the class.
		Year 2: Renaissance	Year 5: Impressionist/Post Impressionist	
		Year 3: American	Year 6: Contemporary/Modern	
<b>Music</b>	1st - 6th	Each year the musical focus and styles vary with the difficulty of each class being tailored to meet the needs of the students within the class. This class will provide for creativity and spontaneity as well as structure. Student will study the elements of general musics (rhythm, melody/pitch, expression, timbre) and the process of learning music skills allow for creative expression in a wide variety of styles		
<b>Language Arts</b>	1st - 2nd	Due to the wide variance in reading and writing abilities, we offer minimal language arts classes for students in 1st and 2nd grade		
	3rd - 6th	Introduction to Grammar and Literature (3rd/4th)	Total Language Plus and focused grammar lessons are used in these classes. Students must be reading on grade level in order to succeed in these classes.	
		Elementary Grammar and Literature (5th/6th)		
4th - 6th	Writing 1	Excellence in Writing curriculum is used in these classes. Students must be reading on grade level in order to succeed in these classes.		
	Writing 2
